

Informed Consent, Disclosure Statement and Agreement for Homeopathic Consultation with Tamara Prahlow, CHom, CCH, RN, AAHCC

I \_\_\_\_\_ am acting on behalf of my knowledge and myself. I understand and agree to the following regarding my quest for information.

Tamara Prahlow, CHom, CCH, RN, AAHCC is a nurse with a variety of clinical experience and expertise, including former work as an EMT in pre-hospital care, a former nationally certified critical care nurse, and formerly certified breastfeeding consultant. She maintains certification with the Academy of Husband Coached-Childbirth and is a medical advisor to the "Bradley Method" organization. She is a Board Certified Homeopath and holds other honors, certificates and other credentials within the homeopathic community. For more information how homeopathy got its start in America see: [www.homeopathyusa.org](http://www.homeopathyusa.org) and Just One Drop Documentary by Blind Dog Films. Homeopathy set the pace for a national organizing body in America, even before the AMA, American Medical Association. Refer to [www.homeopathyusa.org](http://www.homeopathyusa.org). In America, homeopathic practitioners have no licensure requirements. There is national board certification, which Tama holds in homeopathy.

Information received from Tamara is not a replacement for medical care.

I understand that I should not discontinue any medical treatment based on my discussions with her. If I determine that modifications to my existing treatment plan may be advisable based on the information provided by Tamara, I agree to discuss such changes with my primary doctor and/or other specialists.

The use of homeopathy, even during pregnancy, along with research-based nutrition and research-supported lifestyle practices is the basis for my consultation with Tamara. Homeopathy and Lifestyle is not currently recognized by most traditional medical practitioners as means for maintaining and/or increasing levels of health.

Tamara Prahlow, CCH is not licensed to diagnose or treat disease, to prescribe drugs, or to perform procedures. These services should only be provided by licensed health care providers.

It is in my best interest to notify my medical doctor and my other health care providers about my discussions with Tamara to insure that my care is coordinated, and that I should consult with these health care professionals or other specialists if I require medical care.

I am aware that I am under no obligation to follow Tamara Prahlow's recommendations about diet, lifestyle or homeopathy and can discontinue my relationship with her at any time.
